

BASE BALL.—An exciting match game of base ball, being the return between the Burlington and Barton Clubs, was played yesterday afternoon on the grounds of the latter Club, about four miles from this city. The game was stopped at the end of the seventh inning, owing to the unfavorable state of the weather. At the conclusion of the match three hearty cheers were given for the umpires, scorers, Barton and Burlington, respectively, and three still more hearty for the ladies of Barton who had kindly brought to the grounds an ample supply of refreshments, and very acceptable they were to the players after their exertions on the field.
