

BASE BALL.

An exciting match was played yesterday between the Benedicts and Bachelors of the Burlington Base Ball Club. At the end of the 4th innings, as will be seen by the score, the Benedicts were slightly a-head; but the bachelors soon ran up the score far beyond the reach of their opponents. The batting was remarkably fine, the batsmen being, no doubt, nerved in their endeavors by the presence of a number of the fair sex. The ground was in admirable condition. The following is the score:
