## Great Base Ball Match—Ingersoll Wins the Silver Cup.

The game played yesterday afternoon between the Eastern and Western Base Ball Clubs, was one of the most closely contested matches played in Canada. The Eastern men led at the start, but were gradually caught up to and passed by their Western opponents. The last innings was the most exciting one of the score. In this innings the Orientals took the bat, having to make 10 to tie. Six runs had been made, when unfortunately Newcomb was run out at the home base by Pascoe. This terminated the game, the Western players winning by 4 runs. Gibson, of the Ingersoll Club, made the highest score of the match, the same club winning the silver cup. This beautiful trophy was obtained through the exertions of S. Rymal, of the Barton Club, to whom great credit is due. The Eastern men who distinguished themselves with the bat, were Miller and Newcomb, of the Flamboro' club, and J. J. Mason, of the Maple Leaf, making 3 runs each. Mr. J. Shuttleworth acted as umpire, and discharged his duty in a very efficient manner.
