

Great Base Ball Match—Ingersoll Wins the Silver Cup.

The game played yesterday afternoon between the Eastern and Western Base Clubs, was one of the most closely contested matches played in Canada. The Eastern led at the start, but were gradually outplayed and passed by their Western opponents. The last innings was the most exciting of the score. In this inning the Orioles took the bat, having to make 10 to tie runs had been made, when unfortunately Newcomb was run out at the home base Pascoe. This terminated the game, the Eastern players winning by 4 runs. The Ingersoll Club, made the highest score of the match, the same club winning the cup. This beautiful trophy was obtained through the exertions of S. Rymal, of the Barton Club, to whom great credit is due. The Eastern men who distinguished themselves with the bat, were Miller and Newcomb, of the Flamboro club, and J. J. Mason of the Maple Leaf, making 3 runs each. J. Shuttleworth acted as umpire, and discharged his duty in a very efficient manner.
