

BASE BALL MATCH YESTERDAY—EAGLE VERSUS INDEPENDENT.—The second game of the match between the first nines of these two Clubs came off yesterday afternoon on the Maple Leaf grounds. The weather was warm, but pleasant, and about three hundred spectators were present to witness the game, which was an exciting, close, and very well played game throughout. The Eagle nine showed much improvement since the first game, while the Independents played with spirit, and we think as well as in the game two weeks ago, their opponents making exactly the same number of runs in both games—47. Mr. J. J. Mason, of the Maple Leaf Club, acted as Umpire, and gave very fair and impartial decisions, and showed his fitness and capability for this onerous and hard-to-please-all position. Both nines have each a game in the match, and we learn the decisive game will come off in a short time. The following is the score, which gives the Eagles a margin of 14 runs :
