

**BASE BALL MATCH.**—The "Niagaras" went to Hamilton, C. W., and played a match game with the "Young Canadian" Base Ball Club of that city, on Wednesday; and from a perusal of the score, which we give below, our readers will perceive that they achieved a handsome victory. The members of the Niagara Club seem much pleased with their visit to the Queen's dominions, and from their remarks we imagine they will not soon forget the courtesy extended to them by the members of the "Young Canadian" B. B. Club. They inform us that this Club is still in its infancy, having played but a short time under the Rules and Regulations of the National Association of Base Ball Players.—The Return Game will be played shortly, when we hope to see a more evenly contested match.

We append the score, and from the number of runs made, it will be seen that there was some *pretty tall* batting done by the Niagara Club.
