

SIX ACRES.

BASE BALL MATCH.—On Friday next a match game will be played between the first nine of the Union Base Ball Club of Guelph, and the first nine of the Independents of Dundas. The prize is a silver-mounted club, now in possession of the latter. The scene will be Dundas. There will also be a game between the second nines of the two clubs, but in it there will be nothing but glory to be won. We trust the first nine of "our boys" will bring the valuable club home with them.
