

BASE BALL.—The match yesterday between the Star Club, of Hamilton, and the Frank Perrews, of Buffalo, played on the grounds of the Maple Leaf Club, Upper James Street, was one of the best contested of the season, the players of both clubs being evidently on their metal. The Buffalo boys are an athletic looking set of fellows, whom we should pronounce to be always "on their muscle," and whom to defeat at this game, where muscle is of some importance, is something to be proud of. Their playing was neat and skilful, the fielding being, on the whole, good. The Stars were also well up in practice and play, and, in every part of the game acquitted themselves with rare skill. Their victory was well earned, and they have reason to be proud of it. During the afternoon a very large number of spectators were present, who seemed keenly to enjoy the game. A brass band was also on the ground, and enlivened the proceedings with music between the innings. The following is the score:
