THE BULL EAST TWENTAMENT.

The day opened very fine with a cloudless sky and hot sun, conditions, however, not the most favourable for base ball yet he must be very hard to please who found any cause of complaint in the weither. The players were all in the best of spirits, and engaged in the work before them with enthusiasm. As early as eight o'clock, the first match of the day began between the "{hars" of St. Thomas and "Albions" of Strathroy, two third-class clubs of recent organization. They proved to be very unevenly matched, as was evident from the start. The "Stirs" seemed to carry the match pretty much their own way, a fact which, when made known to them, gave them very much encouragement. This club seem in good practice, and give promise of achieving a wide reputation in the future, should they persevere as they have begun. As will be seen below, the highest individual score (10) was made by Kilpatrick, third base, while five ran up scores of eight. (In the other hand, the "Albions" displayed a want of practise which They had good was anything but essuring. mettle, however, and stood out for a long time with every chance against them. eighth imnings the score stood, 67 to 24, and seeing no chance of equalling their opponents, much less of beating them, they gave up the game. The score at the eighth innings stood thus:--
