

London vs. Hamilton.

On Wednesday the Tecumseh Club of this city visited Hamilton, and played a match with the Maple Leaf Club there. The game commenced at 2 o'clock and ended at 7. During the whole afternoon a great many visitors attended the grounds. The umpire was Mr. E. Collins, of the Dundas Club, the fairness of whose decisions is freely criticised by the London players. The following is the score, showing a victory for the London Club by 27 runs:—
