
BASE BALL.—Yesterday the Aberfoyle B. B. Club came up to town for the purpose of having a little practice with the Maple Leaf boys. The former intend to play with the Flamboro' Club on Tuesday next, and hence their journey thither. They were beaten to be sure, but that is no reason why they should not beat Flamboro'. The nine they played against here were made up of some of the first and some of the second nine of the Maple Leaf. The score was--Maple Leaf 66 Aberfoyle 44.
