

Base Ball.

The Morning Star base ball club of this city left on Thursday morning for St. Catharines, to play a game with the Frontiers, of that place. The match, it was thought, would be a very exciting one, as the Frontier club were known to stand at the head of the second class clubs of the country. The game yesterday, however, proved to be of a one-sided nature, owing mainly to the superior pitching of the Morning Stars. In Mr. A. Screamon, the Stars have one of the best pitchers in the Province. The others also did their best to win, and succeeded beyond a doubt. The umpire, Mr. A. Moon, of the Tecumseh club, discharged the duty satisfactorily. The following is the score:
