

IN THE CITY.

The Maple Leaf Base Ball Club, on leaving the steamer, were met by a committee of the Ontario Club, of Oswego, and conducted by carriages, specially provided for their conveyance, to the Revenue House, where they partook of dinner.

BASE BALL MATCH.

Immediately after dinner, the members of the Maple Leaf Base Ball Club proceeded in carriages to the grounds of the Ontario Club, on Ellen street, where an immense crowd of spectators—estimated at between six and seven thousand—were awaiting the commencement of proceedings. The grounds of the Ontario Club are beautifully located, and the number of shade trees which surround the enclosure greatly improve its appearance. The game commenced at 1:30 p. m., and lasted till after 4 o'clock. It was a spirited and closely contested game, resulting in the following score:

Umpire—Mr. R. Hopkins, of Auburn Club, N. Y.
Scorers—Maple Leaf, A. Esson; Ontario, W. Morrison.

The playing throughout the game on both sides was excellent. Those worthy of special notice among the Ontarios were Wadley, 1st baseman; Goldin, right field; and Cooper, 2nd baseman. Mr. Nichols, of the Maple Leaf Club, made excellent catching, and his precise manner of throwing to bases elicited the applause of all. Mr. B. Williams, pitcher, played remarkably well, making the only home run during the game. Messrs. Steele and Atkinson played the field well, making some very pretty catches. Mr. Daley also made a difficult catch on the second base, which was much praised even by the Ontario's themselves. The rest of the Maple Leaf Club in their respective places played as well as usual. Until the last inning both clubs stood evenly.

LACROSSE MATCH.

At the close of the Base Ball match, which terminated about half-past four o'clock, the crowd of spectators was augmented by the additional attraction of the Lacrosse match between the Hamilton club and Capt. Beaver's twelve of the Six Nation Indians.
