

BASE BALL.—A spirited game of Base Ball was played at St. Catharines, on Friday 13th, between the Star Club of that town and the Nonpareil of this city, which ended in a drawn game, the score stood 22 for each at the end of the 1st innings. The Hamilton boys say they were treated splendidly by their St. Catharines friends. The return match will soon be played and we hope the Nonpareils will be as liberal as their St. Catharines friends.
