

On Thursday morning a match game at base ball was played between the Volunteers and non Volunteer members of the Beaver B. B. C. The result of the match clearly shows that those who handle the rifle can also wield and do good service with the bat. At the close of a spirited and lively game, the score stood—Volunteers, 61 runs; non-Volunteers, 41 runs.

THE ACCIDENT ON THE RACE COURSE—Mr. Thompson, who is an ex-Alderman of Toronto, when taken up after his fall last evening, was found to be in a very dangerous condition, having suffered concussion of the brain. He was immediately placed in a cab and brought to Mrs. Cook's hotel, where he lies in a very low state. Late last night we learned that he was sleeping soundly, after having been bled. It is not true, as reported, that his back was broken, or that the horse rolled over him.

As previously announced, the base ball match between the Niagara B. B. Club of Buffalo and the Independent, B. B. C. of Dundas, was played on Thursday afternoon, on the ground of the latter club. From the well known reputation of the Niagara's the defeat of the Valley City was looked upon as a certainty, and the result of the match but proved the correctness of public opinion. The score stands thus: Niagara's 49 runs; Independents 13 runs. The Dundas players batted and pitched remarkably well, considering the swiftness of the pitching and excellent fielding of their opponents.
