BASE BALL.—The match game of **Base Ball** between the Burlington Club of Hamilton and the Detroit **Base Ball** Club, came off Friday afternoon, on the grounds of the Peninsula Cricket Club, Detroit. The Detroit Club took the bat first, and were followed by the Burlingtons, who led the score until the fifth innings, when a round 0 was made by them. Their opponents then scored up and ran ahead, which advantage they maintained until the ninth innings, the Burlington Club having fifteen runs to tie when they took the bat on their last innings. They went in with good courage, determined, if possible, to carry off the palm, which their friends claimed—that of 'Champion Club of Michigan'—(they never having been beaten before) which they did in good earnest, footing up the large score of eighteen runs, thus beating them by three runs. The following is the score:

DETROIT.—Hands lost 27. Runs 52.

BURLINGTON.—Hands lost 27. Runs 55.
