

**BASE BALL.**

**Bachelors vs Benedicts of the "Tecumseh."**

An interesting game of base ball was played on the Infantry Barrack Square yesterday afternoon, between nine Bachelors and nine Benedicts of the "Tecumseh" club of this city. It was expected that, from the recent accessions to the ranks of the Benedicts, they would make the game a very closely contested one, but the Fates seemed to favor the latter on this occasion, much to their, and their friends', disappointment. At the start, the Bachelors took a decided lead, and maintained it throughout the match, some excellent play being made by many of them. At 6.30 the game was drawn, owing to darkness, and the game called on the sixth innings, the score showing as follows:—
