

**BASE BALL MATCH—DUNDAS VS. WOODSTOCK.**

A match was played between the 2nd nine of these two clubs yesterday, on the Mechanics' Base Ball Grounds. The celebrity which the Woodstock boys have maintained by being the owners of the "Champion Silver Ball," which has never been wrested from them, drew a large crowd of people to this spot, amongst whom were a fair sprinkling of ladies. The weather was all that could be desired, and shortly after 2 o'clock the players arrived on the ground and were loudly cheered. Betting was 2 and even 3 to 1 on Woodstock. The playing was excellent on both sides—the hitting of Dundas being particularly admired. The Woodstock Club won by two runs.
