

BASE BALL—Eagle vs. Independent Clubs.—On Saturday an animated game of base ball was played between the second nine of the Independent and first nine of the Eagle clubs on the ground of the latter on Main street. The scorers were Mr. R. Griffith for the Independent, and Mr. James Haven for the Eagle. The playing commenced at two o'clock and continued until five without interruption. Very good play was exhibited by the members of the Eagle, but those of the Independent displayed a "sleepiness" during the game, owing, as they stated themselves, to being over at the St. Crispin's pic-nic at Oaklands all the previous night. At the close the score stood, Independent 8; Eagles 51, majority for latter 43. The game was for a new ball valued at \$1 75, which properly fell into the "Eagles" clutches. The utmost harmony prevailed during the contest, every member seemingly understanding his duty meekly submitting to the decision of the umpire, Mr. Chas. Cook.
