

BASE-BALL.—As announced, the match between nine members of the Upper Canada College Cricket Club and a nine from Hamilton took place on the grounds of the Maple-Leaf Base-Ball Club, on Saturday afternoon last. The weather was all that could be desired, and the ground in very good order. The match throughout was an exciting one, as it was well known that one of the nines was composed of Cricketers who have lately taken to the game of Base-Ball as the season is too far advanced for Cricket, and considering that they have only been in play for a week or two, they made a stand that would have done credit to any Club. Seven innings were only played, as it became too dark to continue the game. Some very fine play was made on both sides, but we must particularly mention the names of Messrs. Kemper & Laing, of the College nine. The pitching of Laing and the catching of Kemper were very fine, as will be seen by the score. The Hamilton nine were victorious by eleven runs, but the College boys are determined to put the shoe on the other foot when the return match is played in Toronto. Below we give the score :
