

**BASE BALL** —A match was played on the Maple Leaf grounds in this city, yesterday, between the Maple Leaf and Star Base Ball Clubs. The playing on the part of the Stars was very good in both fielding and batting. The Maple Leaf Club were not up to their usual mark, quite a number of the second nine taking part and playing miserably. They say themselves that they never fielded so badly. The game resulted in a victory for the Stars, of 11 runs, as will be seen by the following score :
