

**BASE BALL MATCH. — Maple Leaf vs. Mutuals.**—The game yesterday was c'osely contested. A good deal of dissatisfaction was expressed on the part of the Maple Leaf Club and their friends as to some of the decisions of the umpire, who was, after the game commenced, found to be a member of the Mutual Club. The game stood a tie at the ninth innings, which of course necessitated the playing of a tenth. In this the Maple Leaf made 4; the Mutuals, going in had made 3 with two men out. The third man, in the opinion of the scorers and everybody else but the umpire, had struck three times at the ball, and, the ball being caught, was out. The umpire decided, however, that he had only struck twice, and was not out. The Maple Leaf boys protested, and came in from the field, refusing to continue the game further.
