

## BASE BALL AT PORT HOPE.

—  
PORT HOPE, June 24.

The return match between the celebrated Beaver Base Ball Club, of Newcastle, and the New Dominion Club of this place, came off here to-day, resulting, as before, in favour of the Beavers by 29 runs. Score, 63 to 34. A large concourse of people were on the ground, and great interest was manifested throughout. At the conclusion of the game all sat down to a splendid supper, got up in fine style for the occasion. Everything passed off quietly, and the Beavers are now on their way home rejoicing.
