

Base Ball—The Match at Hamilton.

THE INGERSOLL BOYS VICTORIOUS.

On the last day of the Exhibition at Hamilton, a game at base ball was played between three each from the Ingersoll, Woodstock and Guelph Clubs, and three each from the Flamborough, Maple Leaf (Hamilton) and Barton Clubs. The match was for a silver cup, valued at about \$30, presented by Mr S. Rymal, of the Barton Club, to be given to the Club making the most runs on the winning side. The contest was the most closely contested that has yet taken place in the Province, the Western Clubs winning by only four runs. The Ingersoll boys, we are pleased to say, won the prize, as will be seen from the score, which we copy from Saturday's *Spectator*. Mr Joseph Gibson, of the Ingersoll Club, it will be observed, scored the highest; and, as an acknowledgment of his superior play, he was presented with a beautiful set of vest buttons. We are of opinion that the Atlantic Club of Brooklyn, N. Y., who beat the Woodstock Club at Rochester, recently, would find in the Ingersoll nine very formidable opponents. Below will be found the score :
