

BASE BALL.—The first nine of the “Young Canadian Base Ball Club” of Woodstock—the champions of Canada—intend paying a visit to Ingersoll on Wednesday next the 18th inst., for the purpose of engaging in a friendly game with nine of the “Victoria” Club of Ingersoll. The playing will commence at 1 o’clock, p.m. on the ground adjoining Mr R. A. Woodcock’s residence. As these Clubs contain the two best nines in Canada some fine playing may be expected. Seats will be taken to the ground for the accommodation of those ladies and gentlemen who may be present to witness the game. A supper will be given to the Woodstock boys immediately after the game. The public is respectfully invited to attend both the match and supper.
