

## Base Ball.

A very interesting and exciting match was played at Woodstock on Monday, between the "Young Canadian Club," of Woodstock, and the "Mechanics Club," of Dundas. As this match was for the championship of Canada, a great deal of interest was manifested. At one time during the afternoon there could not have been less than 1,500 people present. The game resulted, of course, in the defeat of the Dundas boys by the large majority of 48. In the evening the "Young Canadians" entertained the "Mechanics Club," the "Victoria Club," (Ingersoll,) and many other invited guests—including the members of the press from Woodstock and Ingersoll—at dinner, at the "American Hotel." We need scarcely say that the dinner was all that could be desired, and friend Wood, of the "American," deserves great credit for the excellent arrangements. Wm. Grey, Esq., Mayor of Woodstock, occupied the Chair. After dinner, the usual loyal toasts were given. Volunteer toasts followed, interspersed with songs, and the company, at about 11 o'clock, separated—the utmost good feeling prevailing throughout.

We regret that want of room prevents us giving the score this week.
