

Victoria Base Ball Club.

On Good Friday two picked nines of this club engaged in a friendly game on the Ingersoll ground, instead of the first nine going to London as was expected, Considering their lack of practice, (this being the first game this season,) the playing of both nines was very good. A few more such games will bring the boys up to their old mark, and in order to retain their good name it will be well for them to continue practicing. The following is the score :—
