

BASE BALL.

PORT ROBINSON, Oct. 26:

An interesting game of base ball took place at Fonthill yesterday between the St. Catharines (Frontier) and Fonthill (Union) base ball clubs. The former scored 17, the latter 94. It is generally conceded that St. Catharines has the best mineral water and whisky on the continent, but *not* the best base ball club: A return match will be played in St. Catharines in the course of 8 or 10 days.
